

# ‘FIND YOUR SPACE’

STUNNING GARDEN ROOMS AND GAZEBOS

DESIGN - BUILD - INSTALL

# YOUR SPACE – YOUR LIFESTYLE

A place to : work | chill | party | energise | entertain | cook

Here at H G Spaces we open up a whole new world of options and transform the way you use your garden (and home). It brings a new dimension to your life with a level of quality and comfort of living space that is useable 365 days a year.

Imagine what an outdoor garden space can offer you?  
A place to work, train, entertain, cook or just a place to sit back, relax and get away from it all.

Choosing either a garden room or gazebo is an ideal solution where indoor space may be at a premium. You may have a growing family and need some more space, alternatively you may be embarking on a new venture and need an office, or perhaps you just enjoy being much closer to nature.

Whatever the reason, a garden room or gazebo provides that extra space But without hassle (and expense) of moving, or very disruptive refurbishment.

Transform Your Outdoor Space With Bespoke Garden Rooms and Gazebos

---

# IT ALL STARTS WITH A DREAM

We help create your perfect space : Designed with beauty and function as standard

Your garden room or gazebo can be designed to any shape, size and configuration of the space.

Our experienced designers take on board your 'wish list' of requirements and plan the build from top to bottom to make sure it's exactly how you want it.

As well as the general design, we'll also advise and take into consideration any planning issues\* that may be required.

Utilities such as electric, internet and water are all taken care of by our experienced team. We'll also advise on the building location and orientation within your garden for maximum effectiveness.

\*Local Planning : A garden room or gazebo doesn't normally require planning consent. However, there are always occasions where it may be required. In these occasions we'll be able to provide professional advice.
